SCNA OBJECTIVE

SCNA is dedicated to the promotion and advancement of numismatics in all its dimensions...convinced that the hobby has great potential for enriching lives of those who earnestly seek its gifts. Our principal means for this is the *SCANNER*, the official publication, sponsored awards which seek to promote and reward excellence in many areas of hobby activity; and the annual Convention...which provides without charge to the collector, investor and general public...South Carolina's best program of numismatic education and services and the finest opportunity for buying and selling numismatic items.

Note from the Editor:

Please send any address and/or name corrections to the SCNA Secretary, Mr. Pascal Brock, P. O. Box 693, Lugoff, SC 29078. Return postage and re-mailing of the *SCanner* is cost prohibitive. The SCNA appreciates your cooperation in keeping our address files up-to-date. Thank you.

Members: The *SCanner* is always looking for numismatic articles. They can be on coins, paper money, tokens, elongated coins or medals. Please email them to me at gsstowers@msn.com or 715 Knollwood Drive, Columbia, SC 29209. They will be published as space is available.

Advertising Policy: The policy is that an advertisement will run for three (3) issues. The only changes for these issues will be to change the telephone number, address or email address.

Advertisements are important to us in order to defray the costs of producing and mailing the *SCanner*. The SCNA and the advertising dealers would appreciate your mentioning to them having seen their ad in this journal.

EDITOR'S COMMENTS

A NEW EDITOR IS STILL NEEDED FOR THE *SCANNER*. Anyone interested in the job should contact me or any SCNA Officer.

This is my second issue as the *Scanner* editor. Please excuse the errors you may have found in my first issue. All mistakes are my own and I will try to improve with future issues. When you find something wrong please let me know. A contact to my e-mail is the best way to get the information to me. Kathy Leaphart continues to serve as the associate editor for advertising. Anyone interested in placing an ad in the *Scanner* can contact Kathy at P.O. Box 280551, Columbia, SC 29228 or SKLEAPHART@YAHOO.COM.

I need authors to send in articles to fill the pages of *Scanner* with interesting material and educational information. We are always looking for new material for this publication so do not be afraid to write about your "pet" subject. We now have a "YN Corner" section for our young members. If there are any young people out there who would like to submit an article it would be welcome.

To all the SCNA member club leaders remember to send in club news, leadership updates and meeting information. It would be helpful if club secretaries send in club news and show bourse chairs send show updates. If your South Carolina club or city is having a show and you want to increase publicity, please send me the information and we will publish it here!

Thanks to Helen Barry for serving as the "unofficial photographer" for SCNA. Helen continues to regularly submit interesting photos for the *Scanner* and our web site., www.sc-na.org. To Erik Larsen, thanks for your continued help answering my many questions and getting the *Scanner* printed and mailed.

Finally, a special thank you to Robert W. Ross III. Bob has faithfully continued to submit updated historical lists, information and articles for the *Scanner*. Bob is SCNA Life Member #3 and has been around since the beginning of the organization. I have amended a few of his lists to conserve space or update changes but the historical information has been compiled and provided by Bob.

Feel free to send your comments, ideas, articles, and feedback to me at gsstowers@msn.com or 715 Knollwood Drive, Columbia, SC 29209.

SCANNER JOURNAL HISTORY: PART ONE

BY ROBERT W. ROSS III, LM # 3

In the beginning, the plan of the first SCNA Board was to produce the Scanner (Journal) four times a year (once every quarter). The first issue was printed in July, 1973. This issue stated that it was: "Scanner / South Carolina Numismatic Association's / Quarterly Journal" in four prominent lines that covered half of the cover. This same wording continued for additional issues. After two later cover changes, this wording was revived with the new fourth cover design.

A separate convention program, not actually a Scanner, was produced in November, 1973. Since then, every October Scanner issue has been the convention program as well.

There were some lean financial years in SCNA's early history which caused an occasional cessation of the Scanner being printed. These times can be seen from the accompanying chart. The worst years were 1975 and 1978 through 1981. In fact, during the four years of 1975, 1979, 1980, and 1981 there was no editor.

During this period, at least five fold-over newsletters were used, probably all from the current SCNA President., to continue the communication link with the membership. These newsletters ranged in size from just one page to four sheet printed front and back. It is doubtful if there were more than five total.

Two of these newsletters were undated, but are identified by their postmarks (July 7, 1979 and June 1980). The other three newsletters were issued in August 1975 and May and September 1981. However, as noted above, special October Convention journal issues were produced in each of these lean years.

Since the October 1981 issue, there have not been any missed publication dates, except, probably, for one in June, 2002 since neither the Editor's archives nor my run from the first issue to the present contains a copy, Furthermore, the October issue is printed as issue #2 for that year (instead of what would have been the usual issue #3). Other than this one blip, this is a very outstanding run of eighty-nine consecutive issues.

It should be noted that the SCNA Board reduced the number of issues to three per year, rather than original four, beginning with the February 1991 issue. Nonetheless, it is a great testament to the support of the organization by faithful dealers, through advertising and bourse fees, a continuous core of dedicated member volunteers, and, of course, gifted people volunteering to take over the editorship responsibilities that have made this possible.

The chart is presumed to be complete and correct. Other than my notes through the years, no real written history was developed until now. So some omissions are possible. Six of the early issues were undated, so best guesses, such as using postmarks when available or interpreting statements in the text, were used to determine date of issue. And some issues were issued somewhat later than when the

cover was dated.

Finally, many thanks are given to our new Editor, Gregory Stowers, who graciously researched the archives of issues of the former Editors to answer some lingering questions for me in order to assure completeness of this article

Master List / Scanner Journal Issues (38 Years)

The original plan was to introduce the journal once a quarter. The first issue was July, 1973. The November 1973 Convention had its own program. The other thirty-seven conventions have had an October Scanner issue which also contained the Convention agenda. Time frames with “ni” means “no issue” and “nd” means “not dated.” The five newsletters are shown as “ltr.”

PRESIDENT'S MESSAGE

Greetings to SCNA Members!

SCNA's 38th Convention will be here before we know it. Last year all tables were sold out; so, dealers, if you have not reserved your space yet you need to do so immediately. I have been able to attend several shows around the state recently. The shows I saw had good attendance and people were buying and selling some of everything, not just gold and silver. South Carolina's coin shows are looking good!

Your SCNA Officers have been busy recently. The Board met in February with Mack Martin attending as a special guest. Mr. Martin took home top honors for exhibits at the recent FUN Show as well as our 2009 show. He shared some of his ideas on improving our exhibit participation and awards, particularly for YN's. The Board voted to reduce the junior membership fee to \$1.00 to encourage youth participation. Pascal Brock continues his usual great job as the YN Program Chairperson. Tony Chibbaro, show bourse chair, reported the 2009 show was very successful and profitable. Randy Clark has started a new SCNA fund raiser with a limited number of available tickets. The prizes are improved from last year, so purchase your tickets today. Helen Barry, the Resolution Committee chairperson, and her committee are working to review and revise the bylaws. Please feel free to share any ideas for improving the organization with her or any officer or board member.

Visit www.sc-na.org for information about our association. Thanks to Helen Barry for her many efforts in updating and maintaining this site.

WE STILL ARE LOOKING FOR A NEW SCANNER EDITOR! If any member is interested in this worthwhile project please contact me or any SCNA Officer immediately.

In closing, I look forward to seeing you at one of the great shows around the state.

Greg Stowers
President, SCNA

Revised 2010

The YN Corner

Welcome to the first edition of the **YN Corner** a new column for our Young Numismatist. Hopefully in each edition of the SCanner this column will discuss an item or two of interest to our YN's. I would like for you to participate in this column by letting me know what interest you. If you have an item you would like discussed let me know at either SCNA **YN Corner**, PO Box 693, Lugoff, SC 29078 or send me an email at psbrock@truvista.net. If you have something of interest write me a paragraph or 2 about it and send it to me and we will print it in the SCanner. Looking forward to hearing from all the YN's.

New Quarter Series starts in 2010

Did you know another series of quarters will be starting this year? The America the Beautiful Quarters will release its first in the series on April 20 in Hot Springs, Arkansas. Each year 5 quarters will be released. Each state will have its own quarter. Each state's quarter will represent a national park, forest or wildlife refuge in that state. The quarters will commemorate the vast public lands that belong to all Americans.

Hot Springs National Park in Arkansas will be the first release. It will be followed by Yellowstone National Park in Wyoming in June. Then Yosemite Nation Park, California will be released in July. Grand Canyon National Park in Arizona is scheduled for September and Mount Hood Forest, Oregon will be released in November.

Plan to start your collection of these quarters. As you collect the quarter read about the national parks, forest or wildlife refuges represented on them to learn more about United States history, landmarks and culture. There will be 56 quarters, one from each state and the territories. Plan to collect and study them all. It will be 2014 before the South Carolina quarter is released.

Let me know when and where you find your first quarter of each release in circulation. Buying from a dealer doesn't count. We'll track them in this column to see if they are easy to find.

Until next time keep collecting.

<p style="text-align: center;">WELCOME TO THE YN's FROM GREGORY STOWERS, SCNA PRESIDENT</p>

Welcome to all Young Numismatist (YN) from the South Carolina Numismatic Association (SCNA). "Numismatist" is a fancy word for "coin collector." The SCNA Board and Membership wants to increase the number of young collectors in our organization. One of our recent actions is to reduce the membership fee for YN's to just \$1.00 a year. We hope you enjoy your SCNA membership and take advantage of the joys of collecting.

Here are some things for our YN's to consider about SCNA and collecting:

- * Read the SCNA Journal, the *Scanner*. There will be news about coin collecting in South Carolina, articles about collecting, and other items of interest in the hobby.

- * Join a local club and remain an active member. The more you attend the club meetings the more you will learn about collecting.

*Know what you like to collect. Make lists of items you have and what you are seeking. Choose what you buy carefully.

*Do your homework! Learn about the details of your collection. Know what the coins are worth and how to determine their value.

* Ask questions. The members of your local coin club, SCNA members, and coin dealers will be happy to share information with you.

* Attend local and regional coin shows. Visit your local coin dealer. You will be amazed at what you see.

* Learn how to properly handle and store your collection.

* Attend the SCNA State Show and Convention. SCNA has a special show table for our young collectors. There will be many free items available.

* Attend the YN Presentation on Saturday at the SCNA State Show. You may want to consider making your own presentation at future shows.

* Consider exhibiting your collection at a show. The SCNA State Show has great awards for exhibit winners.

* Apply for a scholarship from SCNA. Details are in the first *Scanner* issue of the year.

* Get your local club to consider nominating you for SCNA Most Outstanding Young Numismatist and other awards.

* HAVE FUN COLLECTING!

CSA & OBSOLETE NOTES ARE MY BUSINESS!!

I have been a full-time dealer in Confederate and obsolete currency for over 33 years. I've helped many collectors assemble complete CSA type sets as well as find rare varieties. I've also helped hundreds of collectors with their obsolete note interests from rare to common. My catalogs are well known in both the dealer and collector fields for their reference value. If you are a serious collector of CSA notes, bonds or obsolete bank notes, I can offer you the following:

1. Thousands of bank notes in the Confederate and obsolete areas.
2. Accurate descriptions, grading and fair prices.
3. Reliable dealings with prompt and friendly service.
4. The knowledge and research capabilities to properly attribute these notes.
5. A want list service that has helped many find notes which they could not locate.
6. Top prices when buying one note or an entire collection. If you are selling, I want to buy your notes!
7. The respect and integrity of dealings that are well known in the hobby.
8. Representation to bid for clients at major auctions.
9. Paying finder's fees on collections referred to me.
10. Appraisal services for reasonable fees.
11. Institutional and museum services for note authentication and valuations.
12. Strong cash decisions and immediate payment for your material.

If you collect, I offer my latest edition 60 page catalog for \$5.00, refundable on first order. It features one of the largest CSA note inventories available, an extensive obsolete and scrip section, uncut sheets of notes, U.S. fractional notes, a Continental and colonial section and a reference book section. Whether you are buying or selling, I would be pleased to have you contact me.
