## **SCNA OBJECTIVE**

SCNA is dedicated to the promotion and advancement of numismatics in all its dimensions...convinced that the hobby has great potential for enriching lives of those who earnestly seek its gifts. Our principal means for this is the *SCANNER*, the official publication, sponsored awards which seek to promote and reward excellence in many areas of hobby activity; and the annual Convention...which provides without charge to the collector, investor and general public...South Carolina's best program of numismatic education and services and the finest opportunity for buying and selling numismatic items.

### **Note from the Editor:**

Changes/Corrections: Please send any address and/or name corrections to the SCNA Secretary: Pascal Brock, P. O. Box 693, Lugoff, SC, 29078 or [PSBROCK@TRUVISTA.NET](mailto:PSBROCK@TRUVISTA.NET). Return postage and re-mailing of the *SCanner* is cost prohibitive. The SCNA appreciates your cooperation in keeping our address files up-to-date. Thank you.

Submissions: The *SCanner* is always looking for numismatic articles. They can be on coins, paper money, tokens, elongated coins, medals, etc. Please e-mail them to me, Gregory Stowers, at [GSSTOWERS@MSN.COM](mailto:GSSTOWERS@MSN.COM) or 715 Knollwood Drive, Columbia, SC 29209. They will be published as space is available.

Advertising Policy: The policy is that an advertisement will run for three (3) issues. The only changes for these issues will be to change the telephone number, address or e-mail address.

Advertisements are important to us in order to defray the costs of producing and mailing the *SCanner*. The SCNA and the advertising dealers would appreciate your mentioning to them having seen their ad in this journal.

## EDITOR'S COMMENTS

**A NEW EDITOR IS STILL NEEDED FOR THE SCANNER.** Anyone interested in the job should contact me or any SCNA Officer.

When you find something wrong or need to make updates, please let me know. A contact to my e-mail is the best way to get the information to me. Kathy Leaphart serves as the associate editor for advertising. Anyone interested in placing an ad in the *Scanner* can contact Kathy at P.O. Box 280551, Columbia, SC 29228 or SKLEAPHART@YAHOO.COM.

To all the SCNA member club leaders: remember to send in club news, leadership updates, meeting information, and club show updates. An annual club report, even if there are no changes, would be helpful.

Thanks to Erik Larsen, Helen Barry, and Robert W. Ross, III, for their assistance and continued contributions to the *Scanner*.

## PRESIDENT'S MESSAGE

Greetings to SCNA Members!

I have just returned from our 38<sup>th</sup> State Convention in Greenville. What a show! Tony Chibbaro, the Bourse Chair, has produced another grand success this year. The show was sold out, the attendance was at record levels, there was a full section of superb exhibits, and everyone enjoyed the many scheduled events. Our very special guest Cliff Mishler, the President of the American Numismatic Association, spent the entire weekend meeting and greeting the numerous attendees. Cliff capped his visit at the Sunday morning award's breakfast by presenting Tony Chibbaro the ANA Presidential Award for his many years of outstanding service. Tony also became only the fifth person to receive SCNA's highest Award, the Honorary Life Membership. Mark your calendar now to attend next year's Convention.

At the Convention, the revised SCNA bylaws were approved. Helen Barry and her committee did an outstanding job on the changes. The new bylaws can be reviewed on the SCNA website, [www.sc-na.org](http://www.sc-na.org).

On a more serious note, I was recently informed several area dealers had been robbed of their inventory after a coin show. This is becoming a highly dangerous situation. Our dealers need to continue to use great caution before and during shows. At the conclusion of a show the dealers' vehicles should never be left unattended until completely unloaded. Any time a person observes a suspicious situation involving show attendees or dealers, immediately notify show security or local authorities.

I look forward to seeing you at one of the great shows around the state or at the Convention.

Greg Stowers  
President, SCNA

## TRYING TO PUT A PAIR TOGETHER

BY ERNIE TURNES

One of my collecting interests is hand-engraved coins, known as love tokens. Men gave these to women as a show of affection. They could be engraved with initials (one or more), names, dates, sayings, or scenes that were significant to the couple. Love tokens first became popular in this country around the time of the War of Northern Aggression.

Love token collectors often wonder about the coins that they own. What was the story behind the love token? Some were pierced. Did the lady wear it on a chain? If it has more than one hole, was it part of a necklace or bracelet or some other type of jewelry? Is the coin a single piece or one of a pair that was engraved the same but became separated from its mate?

A few years ago I learned the answer to that last question as it relates to a coin in my collection.

Before a Baltimore Coin Club meeting I took one of my love tokens to put in the club auction. (I sometimes put love tokens in club auctions to try to generate some interest in this part of the hobby.) The coin was part of a 100-piece collection that I bought from a friend. The engraving and the host coin had no particular significance to me. Before the meeting/auction, I was looking at love tokens on eBay. I saw in the listing one that was engraved **GJ**. Although those letters were not letters that I was searching for, I decided to take a look at the coin anyway. I was surprised to see that it was the twin to the one that I was going to auction.

Both are similarly-toned AU 1892 Barber dimes, with the reverse smoothed and engraved. Each is pierced at the top with a single hole and the holes are the same size. Neither has a border and both have plain backgrounds. The engraving is as

identical as hand engraving will ever be. They were obviously made at the same time, by the same artist.

I decided not to auction my **GJ** and tried to win the eBay piece. I bid much more than I usually would for a coin like this, as I wanted to re-unite the two. I was outbid at the very end. I then contacted the winning bidder (you could do that at that time) and offered my piece, with an explanation, at a price below what he/she had bid, still wanting the two pieces together. I did not get a reply.

I still look for that piece on eBay. Maybe one day...

# The YN Corner

by Pascal Brock

Welcome to the **YN Corner** a column designed for the SCNA Young Numismatist (YN). If you have an item you would like discussed let me know at SCNA **YN Corner**, PO Box 693, Lugoff, SC 29078 or send me an email at [psbrock@truvista.net](mailto:psbrock@truvista.net). If you have something of interest write me a paragraph or 2 about it and send it to me and we will print it in the *SCanner*. Looking forward to hearing from all the YN's.

## 2010 SCNA Convention

We had a great YN program during the SCNA convention. Mr. Arthur Darr had his usual table setup out front greeting YN's as they came into the show. He had gifts and plenty of information for all. A total of 76 YN's registered for gifts he was giving away. The winners were:

1<sup>st</sup> Place (Whitman Folder of error/variety one cent coins) –  
Santino Longobardi of Greenville.

2<sup>nd</sup> Place (Card of one cent coins from 1909 thru 1958)-  
Billy Brewington of Waterloo.

At the Saturday morning program given by Bob Hartje more than 40 YN's gathered to hear his program on "What's on a Coin." Before the program Mr. Hartje had each YN purchase a \$1.00 item from the Bourse floor. Then each YN told the group about what they had purchased. After the "show 'n' tell" Mr. Hartje discussed "What's on a Coin" using the purchased items in his discussion. At the end of the program everyone present

got a special bag of prizes just for attending. I want to thank all the YN's for attending and Mr. Hartje for a great program. He has agreed to return and do the YN program at the 2011 SCNA Convention. So don't miss it!

Have you ever considered doing an exhibit of your collection? Why not give it a try at next year's SCNA Convention, October 28, 29, & 30, 2011. It is free to enter and you could win a very nice award. Just look for the application in the SScanner or send me an e-mail and I'll get you the information you need.

Are you finding any 2010 coins in circulation? I have not found any of the 2010 Lincoln cents with a shield on the reverse. Also, how many of the 2010 America the Beautiful Quarters have you found? All five of the 2010 quarters have now been released. How many have you found? I know I have not found very many in my area. Let me know what you find and where you find it. We have a lot of new coin designs coming from the Mint but they are not getting into circulation.

Last thing. Did you know SCNA sponsors a \$500 matching grant for a junior member to attend the weeklong ANA Summer Seminar? If you are interested contact me by e-mail and I will send you information on how to apply for the scholarship. The deadline for applications is March 15, 2011 so if you are interested let me know soon!

Until next time keep collecting.

# CONVENTION NOTES

## THANKS VOLUNTEERS!

SCNA extends its sincere appreciation to David Burzinski, President of the Greenville Coin Club, and Sam Norris for recruiting volunteers to work at the 2010 Convention. Special thanks to club volunteers: Doug Edwards, Mike Moore, Don Hollingsworth, Mike Hendrickson, Von Pheanis, Darral McClain, Patricia Marston, George Huff, and Ed Woodford.

Thank you to other volunteers Nancy Garrett (who labeled and stamped thousands of Show postcards), Sharon Smoot, Judy Brock, Amber Sloan, Alex Gilchrist (A.K.A. Uncle Sam), Frank Chibbaro, Arthur Darr, and the Officers and Officials of the SCNA for all their help.

SCNA member Mack Martin donated many hours to make this a successful event. Mack helped create improved exhibit awards, recruited individuals to exhibit including several talented young numismatists, and provided advice for judging and presentation of exhibit awards.

In addition to conducting the Young Numismatic program Saturday morning, Bob Hartje collected a large variety of prizes from the generous dealers on the bourse floor. Attendees to the YN program highly praised Bob's entertaining and informative program and the great prizes for the kids.

Very special thanks to Clifford Mishler, President of the American Numismatic Association, who attended every day of the Convention. Cliff spent his time visiting, meeting and greeting participants, attending activities and was the key note guest and speaker at the Sunday morning Awards Breakfast. Mr. Mishler is always a very welcome guest and SCNA looks forward to his next visit.

## STEPHEN JAMES CSRA COIN CLUB NEWS

**Davon Grant pulling the winning ticket at the Club Coin Show in September, 2010.**

**YN Austin Kuhl presenting his "Show and Tell" at the September club meeting.**

**Club President Steve Kuhl and son, Austin, with “Uncle Sam”  
at the SCNA Convention.**

The Club’s annual show held Saturday 11, 2010 in Aiken was a great success. SCNA’s 1<sup>st</sup> Vice President, Erik Larsen, won the drawing for the gold coin and Club Member, Rick Owen, won the second and third prizes of the proof set and Morgan dollar.

Several members of the Club presented very interesting “show and tells” at the September meeting. Tony Chibbaro presented a program on “Our First Coins” at the October meeting and Chuck Goergen presented a program on “Colonial Cobs and Treasures from the Atocha” at the November meeting.

Several members attended the SCNA Convention held in October in Greenville. President Steve Kuhl and son, Austin, are pictured with “Uncle Sam.” Steve also won the Convention third prize drawing which was presented to him at the Club’s November meeting by SCNA Past President Jim Barry. Member, Tony Chibbaro, was presented with the ANA’s Presidential Award by ANA President, Cliff Mishler. Tony was also honored by the SCNA Board with an Honorary Life Membership

There was no regular meeting in December. A Holiday Dinner was well attended at the Houndslake Country Club.

## MYRTLE BEACH COIN CLUB NEWS

At the conclusion of the October, 2010 Myrtle Beach Coin Show, the Myrtle Beach Coin Club and the Myrtle Beach Coin Exchange donated \$1071 to Horry County (S.C.) Meal on Wheels. The money was the result of three fund raisers. Pictured are coin club members Mike LeMay (left) and David Quante (right) with Meals on Wheels Executive Director Kathy Edens (center).

On October 31, 2010, Myrtle Beach Coin Club President, Ernie Turnes, received the 2010 SCNA Numismatist of the Year Award.

The Myrtle Beach Coin Club continues to add new members. Local advertising, members bringing guests to the club meetings, and the October Show have helped grow the membership. Through November, 2010, 30 members have joined the club this year. Forty-eight people attended the October 5 meeting. It was the biggest turnout to date.

Thanks to three fund raisers at the coin club show, the Club and the Myrtle Beach Coin Exchange gave \$1071 to Horry County (S.C.) Meals on Wheels.

Myrtle Beach Coin Club had its second Christmas dinner at a local restaurant on December 7. The Club treasury helped offset the cost of each dinner.

The Club contests will end December 31, 2010. One is to guess the closing price of an ounce of silver on that day and the second is to submit the winning design for a medal to commemorate the Club's 50<sup>th</sup> Anniversary in 2012.

A few of the meeting "themes" for 2010 were Indian Head Cents; Coins with Patriotic Symbols; U.S. Paper Money; World Coins; and Coins, Medals, and Tokens Portraying Landmarks (in conjunction with National Coin Week in April).

The club, named the SCNA "Coin Club of the Year" in 2008, has a new home in the Grand Strand Senior Center, 1268 21<sup>st</sup> Ave, Myrtle Beach, SC and meets on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays of each month at 6:30 PM, all year. Meetings feature discussions of coins and other numismatic material, a raffle, door prizes (all who attend are eligible), presentations, an auction and refreshments. Guests are encouraged to attend. For more information, call (843) 903-1223 or email [mbcoinclub@yahoo.com](mailto:mbcoinclub@yahoo.com).

The show will be open from 8:00 AM to 4:00 PM with free admission and parking. The public is invited to visit for buying, selling, trading or just general interest in coins, paper money, and stamps. ## LOW COUNTRY COIN CLUB NEWS

The Low Country Coin Club held its annual dinner and awards banquet on December 1, 2010. This was also the Club's 50<sup>th</sup> anniversary. Seventy-four club members and guests were in attendance.

The dinner was held at Aunt Bea's restaurant in the Historic district of North Charleston. Everyone in attendance was treated to a fabulous dinner of baked chicken, baked ham, and fried flounder with all the trimmings.

One year ago the Low Country Coin Club held a contest for members to design a 50<sup>th</sup> anniversary token with an obverse and reverse. The winners were Tony Dantzler and Danielle Moore. The club had 100 tokens created in 39MM, one troy ounce .999 fine silver rounds. Randy Clark presented the first of the tokens to Mr. Tyner, and the second two to the winners of the design contest. Each member of the Club during 2010 was given one token free as a memento of the Club's 50<sup>th</sup> anniversary. After all members received their tokens, club members who wanted a second token were given the opportunity to purchase an additional at the original cost. One hundred bronze tokens were also created to be sold to anyone for \$10.00 each. No other tokens will be authorized for production.

The evening's events also included an awards presentation. The Low Country Coin Club presented a life membership to Mr., Arthur Darr. Arthur has worked for the good of the club in the area of Young Numismatist. Arthur has set up a YN table at the Charleston, Florence, Savannah, and SCNA shows. The the Club's 50 years of existence this is only the 19<sup>th</sup> Honorary Life Membership bestowed upon a member. The nomination must first be approved by the officers and board of directors and then voted on and approved by a 2/3 majority of the club members. Also, the Club awarded its annual Numismatist of the Year to Mr. Richard Smith. Richard has served as Club Treasurer and Assistant Bourse Chairman for the past three years and has been instrumental in the improvement of the Club shows.

The Key note speaker was Eric Emerson, Ph.D., Agency Director of the South Carolina Department of Archives and History. Mr. Emerson spoke on the SC bank notes discovered in the basement of the State House that were to be destroyed 100 years ago. He brought samples of each note for Club members to and a five pound sealed package not to be opened for 100 years. He explained the notes would be auctioned at the Heritage Auction in January at the FUN Show in Tampa, Florida, and again during a public auction to be held in April, 2011.

A second speaker was Mr. A. E. Tyner who is the last surviving founding member of the Club. Mr. Tyner spoke of how the Club started 50 years ago and how proud he was to see it doing so well. Mr. Tyner brought several items he donated to the Club for its archives. Mr. Tyner also presented Randy Clark, current Club President, with the original Club gavel he used as President from 1963 to 1970. He said he hated to turn over the gavel but knew it would be in good hands.

The evening was capped off by a talk from the Honorary Keith Summey, Mayor of North Charleston, South Carolina. He spoke of how the city was growing but retained its small town charm. He noted how good it was to see clubs coming together for a common interest.

## CSA & OBSOLETE NOTES ARE MY BUSINESS!!

I have been a full-time dealer in Confederate and obsolete currency for over 33 years. I've helped many collectors assemble complete CSA type sets as well as find rare varieties. I've also helped hundreds of collectors with their obsolete note interests from rare to common. My catalogs are well known in both the dealer and collector fields for their reference value. If you are a serious collector of CSA notes, bonds or obsolete bank notes, I can offer you the following:

1. Thousands of bank notes in the Confederate and obsolete areas.
2. Accurate descriptions, grading and fair prices.
3. Reliable dealings with prompt and friendly service.
4. The knowledge and research capabilities to properly attribute these notes.
5. A want list service that has helped many find notes which they could not locate.
6. Top prices when buying one note or an entire collection. If you are selling, I want to buy your notes!
7. The respect and integrity of dealings that are well known in the hobby.
8. Representation to bid for clients at major auctions.
9. Paying finder's fees on collections referred to me.
10. Appraisal services for reasonable fees.
11. Institutional and museum services for note authentication and valuations.
12. Strong cash decisions and immediate payment for your material.

If you collect, I offer my latest edition 60 page catalog for \$10.00, refundable on first order. It features one of the largest CSA note inventories available, an extensive obsolete and scrip section, uncut sheets of notes, U.S. fractional notes, a Continental and colonial section and a reference book section. Whether you are buying or selling, I would be pleased to have you contact me.
