Bourse Chairman's Message

2021 SCNA Annual Convention

Dear Fellow Numismatists and Numismatic Dealers:
Welcome to the 49th Annual South Carolina Numismatic Coin Show and Convention! We hope that your visit will be both enjoyable and profitable, despite the

measures having to be taken to protect ourselves from the COVID-19 virus. We have a large and diversified variety of numismatic dealers here, with a wide range of coins, medals, tokens, paper money and jewelry for sale. I am confident that everyone can find something for their collections, whether your budget is large or small. If you are here to sell coins, I am sure you will find several dealers interested in purchasing your collection.

- Speaking of COVID-19, please be assured that the SCNA Executive Board takes the health and well-being of every dealer and collector as its first priority. We will hold this convention if and only if it is safe to do so and that requires every one of us to maintain absolute compliance with posted Covid-19 controls. The SCNA is in constant communication with the Greenville Convention Center regarding any potential impacts on our scheduled convention. The SCNA Executive Board agreed to move forward with convention preparations with some modifications in the interest of public safety. A summary of the controls that must be complied with by ALL attendees are summarized below. Please bear in mind that the State of SC, the City of Greenville, Greenville County, Greenville Convention Center and the SCNA may cancel the convention or institute additional controls at any time.
- COVID-19 CONTROLS SUMMARY: (NOTE: REQUIRED CONTROLS MAY CHANGE BASED ON CONDITIONS AT THE TIME OF THE CONVENTION)
- Everyone attending the show will be required to conduct a contact-less temperature scan. Anyone with a temperature of 100.4°F (38°C) or above will not be allowed entry.
- Face masks or face shields may be required to be worn at all times. Even if not required, use of these is strongly encouraged. Bring your own face masks and shields as they will not be provided.
- To the maximum extent possible, everyone must maintain a minimum of six feet social distancing from others not in their group.

- Anyone not complying with the public health protective measures in effect at the convention and coin show will be immediately removed from the facility, no warnings and no exceptions.
- The SCNA interprets the ADA requirements to allow exemption from breathing masks only when the disability is a result of a mental or physical condition that would render the face mask ineffective as discussed in the ADA enforcement guidelines. In such cases, the individual will be allowed to properly wear a face shield. If the use of a face shield will not accommodate the individual, they will be further encouraged to remain at least 6 feet away from all others not in their party, or refrain from entering the bourse floor and areas leased by the SCNA for conduct of the convention.
- All dealers, dealer assistants, volunteers and security personnel will have to sign a Covid-19 Non-Liability agreement upon arrival at the show.
- There will be hand sanitation stations in numerous locations throughout the show. Please use them frequently.
- All customers are asked to minimize physical contact with dealer display cases, tables and dealer products to the maximum extent possible. If you are one who likes hunting for the good stuff in boxes and bins, please be considerate of others and wear gloves.

Many Thanks!

By entering the South Carolina Numismatic Association (SCNA) Convention and Coin Show, you are acknowledging that an inherent risk of exposure to COVID-19 exists in any public place where people are present. By attending this convention, you and any guests voluntarily assume all risks related to exposure to COVID-19 and agree not to hold the SCNA, Greenville Convention Center (GCC), ASM Global and the City of Greenville (CoGv); or any of their affiliates, directors, officers, employees, agents, contractors, or volunteers liable for any illness or injury related to Covid-19 or any other communicable disease.

You are solely responsible for your own safety from Covid-19. If you feel uncomfortable, **DO NOT ENTER.**

If you feel you may have been exposed to Covid-19, are experiencing any symptoms of Covid-19, or have been around those who have in the past two weeks, **DO NOT ENTER.**

TEMPERATURE CHECKS ARE REQUIRED.

You will be required to perform a contact-less temperature check during registration. Anyone with a temperature of **100.4 °F (38 °C)** or above, or refusing to conduct this temperature check, will be denied entry.

Face masks or face shields may be required to be worn at all times. Even if not required, use of these is strongly encouraged. Bring your own face masks and shields as they will not be provided.

SCNA COVID-19 NON-LIABILITY

If required to be worn, face masks must cover your mouth and nostrils. Face shields must be worn with the shield parallel to your face extending below your chin in such a manner to prevent exhaling in the direction of other people. “Gators” are NOT an acceptable substitute for face masks or shields

To the maximum extent possible, everyone must maintain a minimum of six feet social distancing from others not in their group.

The SCNA, GCC, CoGv and ASM Global strongly encourage public attendees to frequently use CDC approved hand sanitizers which are staged in several places on the convention floor.

WARNING: You will be audio and video-recorded upon entering this convention. Video surveillance recording is in use throughout this show.

Upon entering this convention, you will be asked if you have read and understand the above and asked to sign a Covid-19 Non-Liability Release. Your response will be video recorded. You must state your name and state that you understand all aspects of the Covid-19 Non-Liability Release Statement.

The Great Bait and Switch – The Story of South Carolina's 1872 Blue Ridge Rail Road Bond Scrip

Presented by Steve Kuhl

Steve will share the interesting story of how the State of South Carolina relieved itself of \$4M of debt (\$86M in 2021 dollars!) through a series of legislative maneuvers and court cases. This tale highlights the extreme corruption that was rampant in our state during the post-Civil War “Reconstruction” era. As the tale unfolds, he will highlight each note, and a complete set of the 1872 SC Blue Ridge Rail Road Bond Scrip will be on display!

This seminar will be held on Saturday, October 30th, 2021 at the Greenville Convention Center, Greenville, SC

YOUNG NUMISMATIST CARNIVAL!!

This year's YN program at the SCNA Annual Convention will be the YN Coin Carnival that everyone enjoyed last year, with new quizzes, cool games, great prizes and give-a-ways!

Volunteers are needed – Please help! Volunteering requires very little coin knowledge or physical activity, and everyone is welcome! The YN Coin Carnival is an easy walk-through self-assisted program that provides games for YNs and quizzes that allow them to earn points for prizes. The carnival is open the entire time the bourse floor is open to the public.

Duties of the volunteers:

- Give the YN an answer/score sheet.
- Instruct the YN to start at number 1 and work their way through the carnival of games and quizzes. Instruct the YN to record the number of points they earn for each game or quiz.
- Once the YN has completed the quizzes and games, they bring the answer/score sheet to the volunteer. You add up the points and allow the YN to pick from the prize bin based on their score.

That is pretty much it! The largest need for volunteers is Saturday, especially at 10 a.m. when the YN Director is teaching the BSA Scout clinic. E-mail him at SCNA_Webmaster@yahoo.com to volunteer!

Also, we are always looking for give-a-way items and prizes for the YNs. Coins, currency, supplies, books, etc. are appreciated!

ADVERTISING

What better way to promote your business than to advertise while supporting a worthwhile, non-profit organization? Since its inception in 1973, the SCNA has been promoting and furthering the cause of numismatics in the Southeast. The goal of any business is to maintain serious, repeat customers. We are proud to be a destination for serious collectors. Collectors and dealers who are serious about being informed about happenings in the state and the country in relation to coin collecting come here. They visit this site and subscribe to the SScanner journal. Now you can support this organization that benefits the numismatic community while reaching an audience filled with serious-minded individuals.

POLICY

The policy is that an advertisement will run for three (3) issues. The only changes for these issues will be to change the telephone number, address or e-mail address. Advertisements are important to us in order to defray the costs of producing and mailing The SScanner. The SCNA and the advertising dealers would appreciate your mentioning to them that you have seen their ad in this journal. The SCNA reserves the right to refuse any requested advertisement should the proposed ad be determined, at the sole discretion of the Editor, non-compliant with SCNA rules or standards.

RATES FOR REGULAR SCNA JOURNAL

(Black & White image in printed version, Full color in online version)

GEORGIA NUMISMATIC ASSOCIATION

Numismatics depends on the integrity of both Buyers and Sellers. A loss of trust results in lost business and the degradation of the reputation of our hobby. That is why the SCNA has an approved Code of Ethics which governs the conduct of SCNA Members. For your reference, here is the SCNA Code of Ethics.

SCNA CODE OF ETHICS

A Member must agree to comply with the following standards of conduct:

To support and be governed by the By-Laws of the Association and by any other rules, policies, charters, regulations or other governance-related instruments as may be adopted from time to time by the Executive Board.

To conduct his/her self so as to bring no reproach or discredit to the SCNA, or impair the prestige of its membership.

To conduct all numismatic dealings in a just, fair and moral manner and to make no false statements as to the condition of a numismatic item (altered, counterfeit, or otherwise) or in any other matter.

To neither buy, sell, trade, give or receive numismatic items of which the ownership is unclear or suspect.

To abide by all local, state and federal laws; to assist cognizant authorities, if requested, in their investigation of alleged violation of any local, state, or federal law.

Confirmed violation of this Code, as determined by the SCNA Ethics Review Process, will be grounds for disciplinary action of the SCNA Member, as defined in the SCNA By Laws.
