SCNA OBJECTIVE
SCNA is dedicated to the promotion and advancement of numismatics in all its dimensions...convinced that the hobby has great potential for enriching lives of those who earnestly seek its gifts. Our principal means for this is the SCANNER, the official publication, sponsored awards which seek to promote and reward excellence in many areas of hobby activity; and the annual Convention...which provides without charge to the collector, investor and general public...South Carolina’s best program of numismatic education and services and the finest opportunity for buying and selling numismatic items.
Once again, this year is flying by and we have seen an extremely active coin market led by the rise in precious metals. At publication, gold is hovering around $925 per ounce and silver is around $20 per ounce. This is fueling an increase in melting of both silver and gold coins both old and new for their bullion value. A few years ago, I could pick up a common Silver Eagle one ounce coin on eBay for only $9. Now these coins command upwards of $25. I purchased a $5 gold commemorative in 2006 for the purpose of helping the American Numismatic Association fund the opening of a museum at the old “Granite Lady” San Francisco Mint and a recent article in Numismatic News said that Silvertowne, a large coin dealer from Winchester, Indiana stated that they collected between 2000 and 3000 of these coins to be melted for their bullion value. It leaves me with the thought that should I do the same or hang on to them in hopes that gold races higher or will enough people melt these coins down to make these commemoratives a rarity some day? Oh the life of a numismatist! I have noticed heavy traffic at the FUN Show, Low Country Coin Show and the Camden Coin Show.

This issue of the SCanner features an article on something that we all use every day, The Dollar Bill, which was supplied by Myrtle Beach Coin Club leader, Ernie Turnes. If you have written (or know of) any interesting articles in the world of numismatics, please feel free to forward them to the editor for publication. This forum is available to all SCNA members and topics can range from coins, paper money, medals, tokens or any numismatic historical item.

Please feel free to send your club news, comments, ideas, articles, and feedback to me at Larsen770@aol.com or mail to P.O. Box 505, Charleston, SC 29402-0505. Please let us know about your upcoming shows, events, questions, comments or anything that you may have stumbled on in the numismatic field.

Editor
Greetings to SCNA Members!

Well, here it is spring again, and the coin market continues to explode with ever increasing prices for quality coins, especially key dates. If the F.U.N. Show is any indication for the rest of the year things should be upbeat in the year ahead - at least in investor coins! It is becoming increasingly difficult for collectors to find attractive coins at “reasonable” prices. Key dates in particular, are only possible to find in lower grades at anything approaching “realistic” prices. Nonetheless, I was able to complete my collection of early Civil War half dollars in Certified MS64 condition at the F.U.N. show.

After a run-up in coin prices over the last five years, one begins to wonder if a correction can be far off.

Unfortunately, the Euro and Pound Sterling have driven up the prices on nice ancient Greek silver pieces as a result of the inflated dollar and I was only able to purchase one nice coin from Rhodes.

My wife and I also attended the Low Country Coin Show in early February and we had a very enjoyable time. Clearly the smaller shows allow collectors a great opportunity to find coins at more reasonable prices. It also allows one to interact at a more relaxed level with dealers.

I hope you will support the many fine shows that we have across the state during the rest of the year.

Enjoy collecting.

Jim
It is a pleasure to welcome the latest additions to our SCNA family and we thank you for your support. We trust that your association with the SCNA will be a rewarding and educational experience for years to come!

Myrtle Beach Club Leader Speaks at Antiques Art Association Meeting

In late 2007 a representative of the South Strand Antique Arts Association saw an item in the local Sun News newspaper about a meeting of the Myrtle Beach Coin Club and called the Club. She wanted to know if someone from the club would be willing to come to a SSAAA meeting and talk about coins. Club leader Ernie Turnes said that someone would, and that it would probably be him.

The talk was March 11 and Ernie was the speaker. As fellow collectors, we had a lot in common. Among the topics discussed were the factors that determines an item’s value (antiques, coins, etc), the wide range of numismatic collectibles, mint marks, coin clubs, and unusual U.S. coin denominations and their stories (including the fact that the 2 cent coin was the first US coin to have the motto “In God We Trust”, and why).

Members had many questions, more than Ernie had time to address. They wanted information on the coins, medals and paper currency that they had brought in and displayed. They also wanted to know how to sell their coins (that were often inherited), how to know if you’re getting a fair price, if they should clean their coins, the value of that silver-colored (steel) 1943 cent that I own, and the values of other pieces.

It was an enjoyable morning and the club took Ernie and his wife to a local restaurant. They both joined SSAAA while having lunch !!

The Dollar Bill

Take out a one dollar bill, and look at it. The one dollar bill you’re looking at first came off the presses in 1957 in its present design. This so-called paper money is in fact a cotton and linen blend, with red and blue minute silk fibers running through it. It is actually material. We’ve all washed it without it falling apart. A special blend of ink is used, the contents we will never know. It is overprinted with symbols and then it is starched to make it water resistant and pressed to give it that nice crisp look.

If you look on the front of the bill, you will see the United States Treasury Seal. On the top you will see the scales for a balanced budget. In the center you have a carpenter’s square, a tool used for an even cut. Underneath is the Key to the United States Treasury. That’s all pretty easy to figure out, but what is on the back of that dollar bill is something we should all know.
The Dollar Bill

If you turn the bill over, you will see two circles. Both circles, together, comprise the Great Seal of the United States. The First Continental Congress requested that Benjamin Franklin and a group of men come up with a Seal. It took them four years to accomplish this task and another two years to get it approved.

If you look at the left-hand circle, you will see a Pyramid. Notice the face is lighted, and the western side is dark. This country was just beginning. We had not begun to explore the West or decided what we could do for Western Civilization. The Pyramid is uncapped, again signifying that we were not even close to being finished. Inside the capstone you have the all-seeing eye, an ancient symbol for divinity. It was Franklin's belief that one man couldn't do it alone, but a group of men, with the help of God, could do anything.

"IN GOD WE TRUST" is on this currency. The Latin above the pyramid, ANNUIT COEPTIS, means, "God has favored our undertaking."

IN GOD WE TRUST

The Latin below the pyramid, NOVUS ORDO SECLORUM, means, "a new order has begun."

" At the base of the pyramid is the Roman Numeral for 1776.
The Dollar Bill

If you look at the right-hand circle, and check it carefully, you will learn that it is on every National Cemetery in the United States. It is also on the Parade of Flags Walkway at the Bushnell, Florida National Cemetery, and is the centerpiece of most hero’s monuments. Slightly modified, it is the seal of the President of the United States, and it is always visible whenever he speaks, yet very few people know what the symbols mean.

The Bald Eagle was selected as a symbol for victory for two reasons: First, he is not afraid of a storm; he is strong, and he is smart enough to soar above it. Secondly, he wears no material crown. We had just broken from the King of England. Also, notice the shield is unsupported. This country can now stand on its own. At the top of that shield you have a white bar signifying congress, a unifying factor. We were coming together as one nation. In the Eagle’s beak you will read, “E PLURIBUS UNUM”, meaning, “one nation from many people”.

Notice what the Eagle holds in his talons. He holds an olive branch and arrows. This country wants peace, but we will never be afraid to fight to preserve peace. The Eagle always wants to face the olive branch, but in time of war, his gaze turns toward the arrows.

They say that the number 13 is an unlucky number. This is almost a worldwide belief. You will usually never see a room numbered 13, or any hotels or motels with a 13th floor. But think about this: 13 original colonies, 13 signers of the Declaration of Independence, 13 stripes on our flag, 13 steps on the Pyramid, 13 letters in the Latin above, 13 letters in “E Pluribus Unum”, 13 stars above the Eagle, 13 bars on that shield, 13 leaves on the olive branch, 13 fruits, and if you look closely, 13 arrows.

And, for minorities: the 13th Amendment.

Share this page with everyone so they can learn what is on the back of the UNITED STATES ONE DOLLAR BILL, and what it stands for... Otherwise, they will probably never know...

President – LoRan Ross
Vice Pres. - John Kelly
Secretary - Pascal Brock
Treasurer - Bill Blake
Board of Directors – Mac Sims, Wayne Fields, David Pugh & John Faile

The Camden Coin Club held its annual spring coin show with 31 Bourse tables on March 8, 2008. The show had the largest number of registered guest that it has seen in several years. The show was very active in buying and selling of silver coins. We had many visitors inquiring about the price of sliver coins that they inherited from relatives.

The annual Fall Coin Show of the Camden Coin club will be held on Saturday, September 20, at the Camden Recreation Department on Hwy. #1 South in Camden, SC. The coin show will be open from 8 am until 4:30 pm, with free admission and parking. The public is invited to visit for buying, selling, trading or just general interest in coins, paper money, and stamps. The Bourse Chairman is LoRan Ross. From 9 am to 1 pm, an hourly door prize drawing is given to a lucky registered visitor present at the time of the drawing. Part of the proceeds from the show will be used to purchase numismatic material for organizations in Kershaw. The Camden Coin Club would like to thank the dealers and guest who have participated in our previous shows. The success of these shows has made it possible for the Club to donate the numismatics material to the Kershaw County Library and all middle and high school libraries in Kershaw County.

The Camden Coin is a non-profit organization that is dedicated to the promotion and the advancement of the hobby of coin collecting in Kershaw County and the state of South Carolina. To learn more about coin collecting visit www.scnumismaticassociation.com.
The Camden Coin Club will have a spring coin show 2009. The show date will be announced later this year.

For inform about the Camden Coin Clubs coin shows contact LoRan Ross at 803-432-0072.

LOW COUNTRY COIN CLUB (GREATER CHARLESTON AREA)

The Low Country Coin Club held it’s 48th annual Winter Coin Show on February 1 2 3, 2008 at the Exchange Park on Hwy 78 Ladson, SC. The show began at Noon with a ribbon cutting ceremony with Mr. Bob King, Mayor Pro Tem of North Charleston doing the honors. All tables were filled for the first time at this location with 60 tables with 40 dealers in attendance. Along with Mr. Jamie Clifford, author of Double Daggers, a novel about the Ides of March coin produced by Brutus after his assassination of Cesar. Mr. Clifford was signing books and giving away copies of the Ides of March coin.

Approximately 1400 persons attended the event and many attended multiple days. Most dealers reported good sales and heavy buying. A special table was setup for the YN’s with free coins, Whitman folders, supplies and a drawing for prizes.

The Low Country Coin Club mailed out flyers to every club in North Carolina, South Carolina, and Georgia. Approximately 350 post cards were sent out to club members and past attendees. Randy Clark, President and Bill Latour, Secretary appeared on TV channel 5 in Charleston for a 2 minute live broadcast at noon two days before the show to promote both Club and the show. Several announcements were made on local radio stations which helped to get the public to the show.

The club will host its summer show August 8, 9, 10 2008.

MYRTLE BEACH COIN CLUB

The Myrtle Beach Coin Club continues to meet twice per month--the first Tuesday and third Thursday. While the group is small (about 8 or 9 attendees per meeting is a good turnout), the collections and knowledge of the members is extensive. The club has been establishing a "theme" for each meeting. Recently, there have been the following themes--Peace dollars, seated coins, toned coins, and 5 cent pieces (half dimes, nickels, wooden nickels, hobo nickels) etc. Members bring in these coins to the meeting to show and discuss. Occasionally, visitors who see our advertisement in the local paper and come to meetings to learn about pieces they own.

The Myrtle Beach Coin Club has no officers as such, but Ernie Turnes serves as the "front man" (running meetings, advertisements, reserving meeting rooms, etc). He can be contacted at evturnes@juno.com.
MIDLANDS COIN CLUB (COLUMBIA)

The Midlands Coin Club recently held its Annual Banquet at the Grecian Gardens restaurant located on 378 in West Columbia on Thursday, March 20, 2008. Over 35 club members and guests attended the event. Noted author and historian, Hugh Shull, graciously accepted the invitation to dine and share in the fellowship of friends and comrades. Mr. Shull gave a presentation about Southern States Currency which he also provided a wonderful handout of color copies of notes. Throughout the night door prizes were awarded to members along with several grand prizes. The pièce de résistance came when Mr. Shull handed Tony Chibbaro, Club President, an autographed copy of his recently published Guide Book of Southern States Currency as the final prize, which was awarded to Bill Malinowski. Everyone walked away from the evening with a good taste lingering from the events and dinner.

GREENVILLE AND PARKER COIN CLUBS

A Sparkling Show in Spartanburg, SC

In its 38th year, The Upstate South Carolina Coin Show, held February 22 – 24, 2008, attracted in excess of twelve hundred visitors. The largest show in South Carolina credits its steady growth to the ever increasing popularity of numismatics. The Greenville and Parker Coin Clubs sponsor the Upstate South Carolina Coin Show.

In its third year at the Spartanburg Memorial Auditorium, the sold-out Show boasted a rich variety of merchandise from over fifty dealers. Opening Friday morning, the Bourse Floor became a crush of customers as the public streamed in and jockeyed for positions at dealers’ tables. This show strikes the enviable balance of being just as popular with customers as it is with dealers. Broad marketing brought in participants from across the southeast.

Educational displays included Jim Few’s historic memorabilia from the first and second annual Upstate Coin Shows held in 1971 and 1972, respectively. Mr. Few is a Charter Member of the Parker Coin Club. Tommy Acker, a Spartanburg numismatist, artfully displayed a collection of 20th century Spartanburg South Carolina bank notes. Mr. Acker eagerly discussed the historic significance of these beautiful pieces of currency with interested observers.
Sam Norris, a name synonymous with coin collecting in South Carolina, conducted a Young Numismatics Program on Saturday morning. Eager young collectors were fascinated by the history of early commemoratives. All YN’s were presented with gift bags, the contents of which were generously donated by coin dealers and local club members. The Young Numismatists Program is designed to spark the pursuit of lifelong coin collecting.

Diamonds flashed and gold gleamed as women with a taste for fine jewelry clustered three deep at some dealer locations. Quests narrowed for perfect selections. Negotiations heightened. In this instance, both buyers and seller were both having great experiences!

Next year, The 39th Annual Upstate South Carolina Coin Show will be held February 27, 28, and March 1, 2009, at the same location. Already the 2009 Show is fast approaching a sell out. An interested dealer should immediately submit a bourse application with deposit to secure a reservation.

Contact Bourse Chairman, James R. Woods, at (864) 836-7486 for additional information about the 2009 show.

CSA & OBSOLETE NOTES ARE MY BUSINESS!!

I have been a full-time dealer in Confederate and obsolete currency for over 30 years. I've helped many collectors assemble complete CSA type sets as well as find rare varieties. I've also helped hundreds of collectors with their obsolete note interests form rare to common. My catalogs are well known in both the dealer and collector fields for their reference value. If you are a serious collector of CSA notes, bonds or obsolete bank notes, I can offer you the following:

1. Thousands of bank notes in the Confederate and obsolete areas.
2. Accurate descriptions, grading and fair prices.
3. Reliable dealings with prompt and friendly service.
4. The knowledge and research capabilities to properly attribute these notes.
5. A want list service that has helped many find notes which they could not locate.
6. Top prices when buying one note or an entire collection. If you are selling, I want to buy your notes!
7. The respect and integrity of dealings that are well known in the hobby.
8. Representation to bid for clients at major auctions.
9. Paying finder’s fees on collections referred to me.
10. Appraisal services for reasonable fees.
11. Institutional and museum services for note authentication and valuations.
12. Strong cash decisions and immediate payment for your material.

If you collect, I offer my latest edition 60 page catalog for $5.00, refundable on first order. It features one of the largest CSA note inventories available, an extensive obsolete and scrip section, uncut sheets of notes, U.S. fractional notes, a Continental and colonial section and a reference book section. Whether you are buying or selling, I would be pleased to have you contact me.
